**THE FREEST EXPRESSION
OF CA N'ESTRUC**

Located in the southeast foothills of Mount Montserrat, near Barcelona, Ca N'Estruc is a family winery with deep roots in winegrowing and winemaking that dates back to the 16th century. The /BI/ project was created in 2014 by Anna Martí with a clear purpose: to go back to basics, allowing the land, the grapes, and time to guide us every step of the way.

The Ca N'Estruc estate are cultivated following the principles and practices of biodynamic and organic farming. Mount Montserrat shelters the vines from the cold north winds and fosters a very particular microclimate, with mild summers and temperate winters.

/BI/ muscat

Muscat from the vineyard just in front of the winery, on alluvial and gravel soils.

After a short skin maceration, the juice is run off and ferments with native yeasts. The wine rests for four to six months on fine lees in stainless steel tank, with a single racking before bottling, by gravity and unfiltered.

Approximate production: 1,200 bottles per year.

Floral, dry and saline.
