/BI/ identity

Located in the southeastern foothills of Montserrat, near Barcelona, Ca n'Estruc is a family winery with deep roots in winegrowing and winemaking dating back to the 16th century.

The /BI/ project was created in 2014 by Anna Martí with a clear purpose: to return to the essence, letting land, grapes and time guide each step.

/BI/ landscape

The vineyards are farmed according to the principles of organic and biodynamic viticulture. Montserrat contributes to a distinctive microclimate, with mild summers and temperate winters.

/BI/ soul

Made using traditional, low-intervention artisanal methods, /BI/ wines ferment with their own yeasts and are aged in demijohns, concrete eggs, stainless steel vats, old barrels, and foudres. Finally, they are gravity-bottled, avoiding the use of any filters, clarifying agents, or additives.

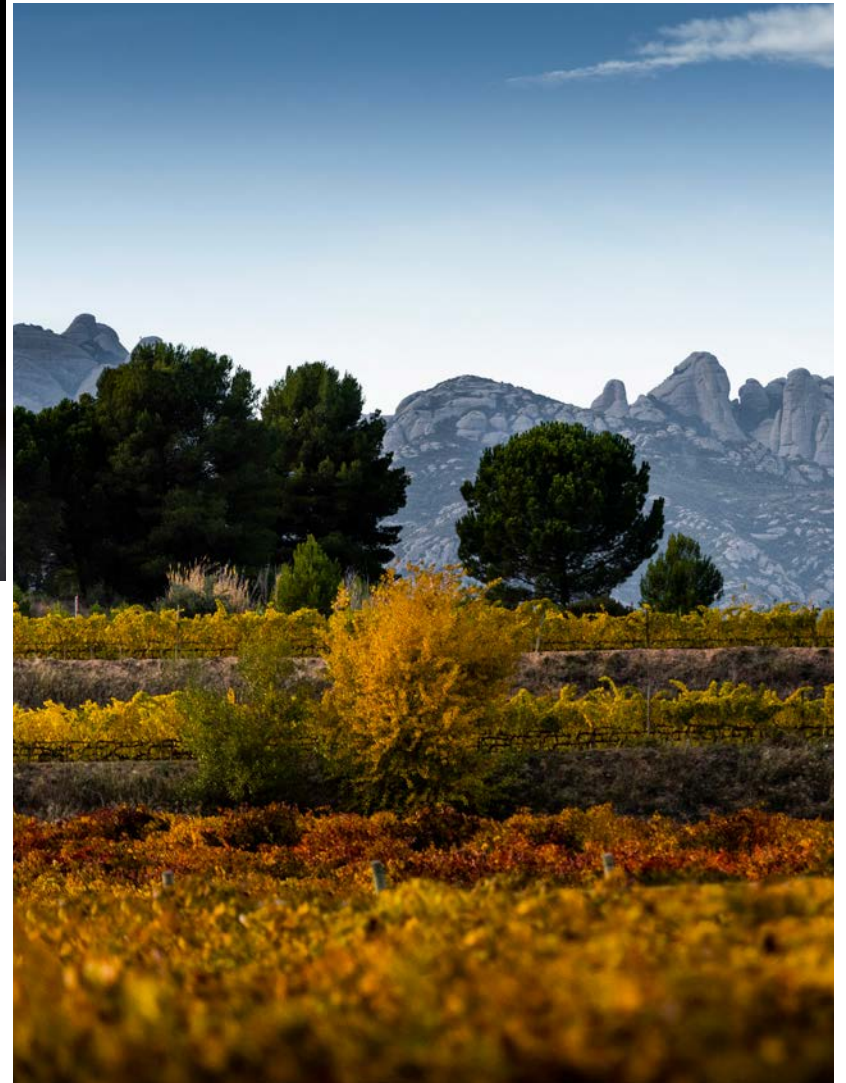

The native yeasts allow the wine's origin to be expressed honestly.

/BI/ connection

/BI/ is a vital, honest project that speaks of the identity of the place where its wines are born and the energy behind them. The label, a reinterpretation of the first Ca n'Estruc labels, reflects its connection with wine and viticulture since the 16th century.
